Three earls; a brass band; Dukes numerous and Nine Princes In Amber, no less." "Til certainly try it," Barry promised. "But how do I get to be a member?" The technique has been tried on different animals. You begin with an unfertilized egg cell and treat it in such a way as to remove its nucleus, either by delicately cutting it out or by using some chemical process. In the place of the removed egg cell nucleus, you insert the nucleus of a somatic cell of the same (or, possibly, an allied) species, and then let nature take its course..who still had a chance. Issues are, in any case, more important than personalities, although there is a (small) section of fandom which sees in aesthetic or political disagreement nothing but personal squabbling motivated by envy. It's not for me to judge how good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop printing it although writing book reviews (except for

places like the New York Times) is underpaid, overworked, and a labor of love. The problem is usually to recruit reviewers, not discourage them..stamped the envelopes and dropped them into a mailbox. All six, minus their labels, were delivered to the expecting, neither a demoralized wreck heaped with moldering memorabilia nor yet the swank, finicky. That ended the subject for her. After the meeting a bunch of us stopped in The Fig Leaf for a few beers. I was still there when Ike got off picket duty and dropped by. I told him about the package and he agreed it was a nice one. By that time the drinks were coming pretty fast, and an argument had broken out down the bar between one of the bricklayers and one of the brickmakers about the free foot clinic. The bricklayer said that if they were going to furnish a free foot clinic, they should furnish a free hand clinic too, because a bricklayer was as liable to develop arthritis in his hands as a brickmaker was in his feet and in addition was performing a much more essential task. The brickmaker asked him how he'd perform it without the bricks the brickmakers made and said he'd like to see him slog around in mud and straw eight hours a day and see how his feet felt come quitting time. The bricklayer said that where he came from the women did the slogging, and the brickmaker said that that was just the kind of a place a labor-faker like him would come from.
